## Tarot for the Month

**Midnights Dirty Tarot**

If you conceive it, you can achieve it...but you have to do the conceiving part first! Give yourself space

to dream - really dream. Never mind what seems practical or possible, think of what makes you happy, places you've been, people you've met... Imagine a life you truly love. Then ask yourself what stands in your way?

The Bee would be nowhere without your contributions, so please feel free to submit your own stuff! We are always looking for reader content. ## Meetup Recaps

by Claire & Whitney

### Twin City Straddlers:

Local Twin Cities musician Vanessa Bray hosted an open mic meet-up to showcase some Autostraddler's talents! The intimate group got to hear original songs and spoken word pieces as well as covers. It was a great way to start the weekend on a Friday evening with snacks and pop to pass around! Talent included: Vanessa Bray, Karen Folman, Kade Medd, and Doyle.

### Cincy Straddlers:

Eight of the Cincy Straddlers had planned an awesome cabin weekend in Brown County, Indiana! We escaped patriarchal society for the weekend and hung out in an adorable quilt-themed cabin in the woods. We made pasta and pizza, hiked, enjoyed some recreational substances, sat in a hot tub, played dominoes, wrote in our journals, read Lumberjanes, and talked repeatedly about watching "Carol" on dvd but in the end ran out of time. We'll just have to go back!
